

September 2011 President's Letter

Summer is winding down, the days are getting shorter and school is back in session. Just as everyone eases back into their normal routines after a long hot summer, so will the board of directors. The next open meeting of the board will take place on September 20th at 7:00 PM in the community room. Behind the scenes the board has been hard at work getting bids to replace the parking lot lights and repair or replace the faded out street signs. Coming to the board meetings is a great way to support your board members and find out what is going on in Country Walk. We hope to see you there.

The pool will close down for the season after Labor Day. It has been a wonderful pool season – Thank you Denise, Kay, Michelle, Shannon, Michael, Amy, Debbie, Jackie, Chris, Megan and Amanda for all your hard work keeping the pool running smoothly all season.

Just a reminder, anytime you are using the amenities – tennis courts, playground, pool, and basketball courts – you must carry your 2011 Country Walk ID card. ID's are spot checked year round, not just during pool season.

You may have noticed, additional trash cans have been added to the amenities area. The cost savings of using the additional cans over sharing the dumpster with the Country Store is approximately \$900.00 a year. Please do not place any amenities area trash in to the dumpster. Country Walk has a wonderful amenities area; please help us keep it clean by picking up and placing all trash in the trash cans.

Once again we are noticing many low hanging tree branches throughout the neighborhood. If your tree overhang the street, please make sure the branches are trimmed high enough to clear school buses, garbage trucks, etc. If your trees overhang the sidewalk, please make sure that the branches are trimmed high enough not to hit a pedestrian walking in the neighborhood.

Do you have a new neighbor or have you noticed someone new moving into the neighborhood? If so, please be sure and share your newsletter with them. Reading the newsletter is a great way to find out what is going on in the neighborhood. Please let Neighborhood Management know who they are and we will be happy to send them a hardcopy of the newsletter.
