

November 2011

Dear Residents,

I hope everyone is enjoying the beautiful fall weather. The fall festival was wonderful; I hope everyone came out and enjoyed the festival. Don't forget to turn back your clocks on November 6th. Please use extra care when driving in the neighborhood and watch for children that may be headed to and from the bus stops during the darker mornings and afternoons.

Behind the scenes the Board of Directors has been hard at work. With the cooler weather the contractor will begin refurbishing all of the street sign posts and applying the new street name decals. We are also working with a contractor to replace and improve all the parking lot lighting. We are hopeful that this work will begin soon. While all of this is going on, the board will begin meeting several times during the month in budget workshops to prepare a balanced budget for 2012.

We extend our greatest sympathy to the Dlhosh family. Shannon served on the Social Committee and will be missed by everyone.

The next regular monthly meeting of the board will take place on January 17, 2012.

I hope everyone a very blessed and happy Thanksgiving.
