

It was a chilly fall afternoon in Country Walk as many ghosts, punk rockers, and goblins participated in the Fall Festival on Saturday, October 17th. The children won prizes as they played build a mummy, loop the skeleton and corn toss. Madison Haney, dressed as Raggedy Ann took the trophy for best costume. Adults and children alike participated in the cake walk and departed with some hauntingly scrumptious desserts! The social committee would like to graciously thank everyone that attended and all who slaved away in the kitchen baking all the delicious desserts!
