

Courtside at Country Walk

There were 4 summer teams playing out of Country Walk, including two mixed adult ALTA teams, 1 women's USTA team, and 1 women's senior ALTA team. Congratulations to Brian Glover's team for winning the BAG TAG once again this past summer season. You will recall that his team also won their division (and bag tag) for the winter season earlier this year. Two ALTA signs were posted at our courts, which were paid for and installed by the individual team members. (photos below).

Country Walk will be home to 3 ALTA teams this Fall, 2 women's teams (matches will be played on Sunday's at 1:00) and 1 men's team (matches on Saturday mornings at 9:00). If any residents are interested in playing tennis in the neighborhood, please contact Shelia Marshall who will relay your interest to the appropriate captains.

Country Walk also has many tennis players in the neighborhood who play in various singles and doubles league formats (T2, Ultimate Tennis, and others). The sign up sheets which are posted outside the community room are for use by residents to reserve a court for their scheduled match. Any tennis related questions can be directed to Shelia Marshall.
