

Courtside at Country Walk

Fall season is under way and Country Walk is home to 2 women's teams and 1 men's team this season.

With the first match of our season being scheduled for 9/11, the women's team (captained by Patti Redding) was scheduled for a home match and the team decided they wanted to make it a special day of remembrance. The players dressed in their red, white and blue, and our table decorations were patriotic for the occasion, as well as our homemade dessert. Our very own Faezeh Bowers (CW resident, singer/songwriter performer, and tennis player extraordinaire) started our day off by performing our National Anthem, followed by a moment of silence, and ending with her soulful rendition of *Amazing Grace*. It was a very moving and emotional time for all that were present, as we passed the Kleenex around, and we received the highest compliments from our opponents of the day. A day of remembrance in photos.
